

# Applications to stage a creative arts exhibition or installation

## Introduction

Please read the Creative Arts Policy before making an application, noting especially the following conditions:

- **Artists/exhibitors are responsible for the costs of insuring, transporting and securing installations as appropriate. Exeter Cathedral will not accept responsibility for any damage to, or theft from, exhibitions in the Cathedral or its precincts**
- **Appropriate Method Statements and Risk Assessments must be completed to the satisfaction of the Cathedral's Clerk of Works, and any issues addressed.**
- **Visitors to Exeter Cathedral pay an admission charge (with the exception of Residents' cardholders, Friends of Exeter Cathedral and annual passholders). Exhibitions and installations are included in this charge and exemptions and concessions are not made**

The full document is available on the Cathedral website ([www.exeter-cathedral.org.uk](http://www.exeter-cathedral.org.uk)) and it is expected that all applications will clearly reference how the proposal attempts to respond to the brief within the Creative Arts Policy document. Please provide as much detail as possible and, where appropriate, include a detailed proposal, together with supporting documents such as images, videos and testimonials.

Please send completed applications and supporting information to:
