

- This is a ticket only event - there will be no access to The Cathedral to non-ticket holders
- Children under 3 go free and do not require a ticket.
- The event is both pushchair and wheelchair friendly. The event does require movement between projections and this includes an area with a small incline and steps. There will also be a short wait between projections with limited places to sit.
- Due to the nature of the projections the site will be dark in areas and access around the Cathedral is at the ticket holders own risk.
- Ticket holder access will be from west end door
- Please be mindful that queuing is outdoor for the event and therefore is open to the elements. Please ensure you check the weather and wear appropriate clothing.
- Tickets are non-refundable and non-exchangeable.
- Visitor toilets are available on site - there are no toilets in the Cathedral.
- Whilst entry is timed, you are free to walk through the experience at your own pace.
- The projections will be a mix of light and sound. This might involve some flashing images and the music might be considered loud.
- Filming will be undertaken and therefore all visitors may be filmed or photographed.
- Personal photography is allowable but not for commercial usage.
- Your ticket indicates the start of a 15 min period during which you will be admitted to the cathedral.
